## ABOUT US!

KO&CO embodies the essence of Korean street food and modern cooking – a brand made for food enthusiasts looking to expand their culinary horizons. Our diverse range of products is carefully crafted in Korea's top dumpling facility, producing up to 25,000 tons of dumplings every year. We maintain the highest hygiene and safety standards, certified by HACCP, ISO 22000, and FSSC22000, showcasing our strong commitment to product quality and safety.

Our international team, representing various cultures and locations from Seoul to Aachen, shares a passion for food and a desire to explore the rich culinary landscape our world offers. Together, we celebrate the joy of eating and embark on a journey to discover the flavors of the world.

### Authentic

We constantly seek inspiration and highly value innovative technologies. What does the future hold? We are eager and excited to find out.

### High quality

With a blend of precision, durability, and innovative technology, our high-quality products set a new standard in the food industry. The key factor behind this is the use of fresh ingredients.

### Convenient and Time Saving

Straight from the freezer to your plate, ready in no time and tailored to your taste – effortless and efficient.

### Sustainable

Our packaging is designed to be environmentally friendly and fully recyclable, aiming to minimize environmental impact.
